## **Privacy Statement**

LoonZorg is an insurance intermediary for insurance companies. For the purpose of registration and de-registration of the insurance policies as well as providing a proper advice to the people LoonZorg BV by law needs to receive private details from the insured and the 'insured to be'. Details that are required to take out an insurance policy are address details, BSN numbers, copies of ID's, copies of residence permits, working contracts, pay slips, telephone numbers, email addresses and banking details.

As a consequence of not receiving the requested personal details LoonZorg BV will not be able to serve the insured best interests. This means that without the required information LoonZorg BV cannot take out an insurance policy on behalf of the insured.

The webpages via which the personal details are provided to LoonZorg BV are secured pages. Also the email accounts of LoonZorg via which the documents are being provided are secured.

All the information provided to LoonZorg BV will only serve the purpose of taking out the insurance policies and taking care of a proper administration of the clients. Besides sharing the information with the insurance company, the personal details of the insured are not shared with any other party.

For finance and controlling reasons the personal details of the people will be saved in the secured database of LoonZorg up to a period of 5 years as from the termination date of the policies.

After the identity has been checked thoroughly by LoonZorg BV, the insured is entitled to have insight in his/her private details. The insured is also entitled to change or erase the details from the LoonZorg BV database.

Any recommendations or complaints regarding the handling of privacy details by LoonZorg BV can be forwarded by email to LoonZorg BV via [info@loonzorg.nl](mailto:info@loonzorg.nl)

In case of a dispute with LoonZorg BV please contact the 'Autoriteit Persoonsgegevens' which is the authority on the private detail handling in The Netherlands via:
